Introduction

Tried&Tested respects your privacy and is committed to protecting your personal data. This privacy notice will inform you as to how we look after your personal data when you visit our website (regardless of where you visit it from) and tell you about your privacy rights and how the law protects you.

Important information and who we are.

Purpose of this privacy notice

This privacy notice aims to give you information on how Tried&Tested collects and processes your personal data through your use of this website, including any data you may provide through this website when you sign up to receive information or purchase a product or service.

This website is not intended for children and we do not knowingly collect data relating to children.

It is important that you read this privacy notice together with any other privacy notice or fair processing notice we may provide on specific occasions when we are collecting or processing personal data about you so that you are fully aware of how and why we are using your data.

This privacy notice supplements the other notices and is not intended to override them.

Tried&Tested Sites

This privacy policy covers all Tried&Tested Sites, including but not limited to the Sites listed below. The Privacy Policy will also apply to all Tried&Tested customer portal, hub and login Sites, where relevant, in addition to the applicable Terms of Use in respect of each of those Sites.

You have the right to make a complaint at any time to the Information Commissioner's Office (ICO), the UK supervisory authority for data protection issues (www.ico.org.uk). We would, however, appreciate the chance to deal with your concerns before you approach the ICO so please contact us in the first instance.

Changes to the privacy notice and your duty to inform us of changes

It is important that the personal data we hold about you is accurate and current. Please keep us informed if your personal data changes during your relationship with us.

Third Party Tried&Tested links

This website may include links to third-party websites, plug-ins and applications. Clicking on those links or enabling those connections may allow third parties to collect or share data about you. We do not control these third-party websites and are not responsible for their privacy statements. When you leave our website, we encourage you to read the privacy notice of every website you visit.

The data we collect about you

Personal data, or personal information, means any information about an individual from which that person can be identified. It does not include data where the identity has been removed (anonymous data).

We may collect, use, store and transfer different kinds of personal data about you which we have grouped together follows:

Identity Data includes first name, maiden name, last name, username or similar identifier, marital status, title, date of birth and gender.

Contact Data includes billing address, delivery address, email address and telephone numbers.

Financial Data includes bank account and payment card details.

Transaction Data includes details about payments to and from you and other details of products and services you have purchased from us.

Technical Data includes internet protocol (IP) address, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access this website.

Profile Data includes your username and password, purchases or orders made by you, your interests, preferences, feedback and survey responses.

Usage Data includes information about how you use our website, products and services.

Marketing and Communications Data includes your preferences in receiving marketing from us

and our third parties and your communication preferences.

We also collect, use and share Aggregated Data such as statistical or demographic data for any purpose. Aggregated Data may be derived from your personal data but is not considered personal data in law as this data does not directly or indirectly reveal your identity. For example, we may aggregate your Usage Data to calculate the percentage of users accessing a specific website feature. However, if we combine or connect Aggregated Data with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data which will be used in accordance with this privacy notice.

We do not collect any Special Categories of Personal Data about you (this includes details about your race or ethnicity, religious or philosophical beliefs, sex life, sexual orientation, political opinions, trade union membership, information about your health and genetic and biometric data). Nor do we collect any information about criminal convictions and offences.

If you fail to provide personal data

Where we need to collect personal data by law, or under the terms of a contract we have with you and you fail to provide that data when requested, we may not be able to perform the contract we have or are trying to enter into with you (for example, to provide you with goods or services). In this case, we may have to cancel a product or service you have with us but we will notify you if this is the case at the time.

How is your personal data collected?

We use different methods to collect data from and about you including through:

Direct interactions. You may give us your Contact by filling in forms or by corresponding with us by post, phone, email or otherwise. This includes personal data you provide when you:

apply for our products or services;

create an account on our website;

subscribe to our service or publications;

request marketing to be sent to you;

enter a competition, promotion or survey;

or give us some feedback.

Automated technologies or interactions

As you interact with our website, we may automatically collect Technical Data about your equipment, browsing actions and patterns. We collect this personal data by using cookies, server logs and other similar technologies.

Please see our Cookie section below for further details.

Third parties or publicly available sources.

We may receive personal data about you from various third parties as set out below:

Technical Data from the following parties:

- (a) analytics providers such as Hotjar based inside the EU;
- (b) advertising networks such as Google based outside the EU;
- and
- (c) search information providers such as Google based outside the EU.

Contact, Financial and Transaction Data from providers of technical, payment and delivery services.

Identity and Contact Data from data brokers or aggregators.

Identity and Contact Data from publicly available sources such as Companies House and the Electoral Register based inside the EU.

How we use your personal data?

We will only use your personal data when the law allows us to. Most commonly, we will use your personal data in the following circumstances:

Where we need to perform the contract we are about to enter into or have entered into with you.

Where it is necessary for our legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests.

Where we need to comply with a legal or regulatory obligation.

Generally we do not rely on consent as a legal basis for processing your personal data other than in relation to sending third party direct

marketing communications to you via email or text message. You have the right to withdraw consent to marketing at any time by contacting us.

Purposes for which we will use your personal data

We have set out below, in a table format, a description of all the ways we plan to use your personal data, and which of the legal bases we rely on to do so.

We have also identified what our legitimate interests are where appropriate.

Note that we may process your personal data for more than one lawful ground depending on the specific purpose for which we are using your data.

Please contact us if you need details about the specific legal ground we are relying on to process your personal data where more than one ground has been set out in the table below.
